It looked like Cherry really liked her and

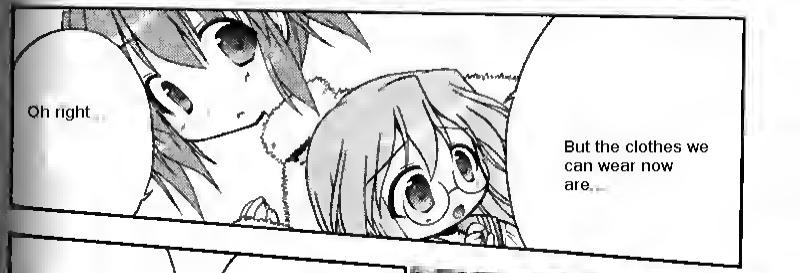
It was the habit of a dog!
She got buried in the flowerbed up to her neck...
OH!

That was horrible just as I was feeling a little happy about being small...
There s dirt everywhere except for your face...
Then a change of clothes is neccesary



But the clothes we can wear now are...
Oh right...

The only clothes that became small are those, right?
Right...
Whoa Your glasses turned small too
Yeah, amazing, isn t it?
Do you mind if I take a look?

Since everything around does get bigger
I can read the letters without glasses
Since text looks bigger when you re small you re fine without your glasses right?

Notes

I couldn't figure out how to translate "おおおおおおおお", well, so I put it as Ooooooooo. For pronounciation, this is in romaji.

If there are any untranslated sound effects, it is either because I couldn't think of a way to translate it or because I missed it. If there is any untranslated dialogue then I just missed it.

Wow
Only Miyuki-chan grew~
What?
Uhm
What?
Why Why~?
How did you do it~?
Don't bother, she doesn't even know...
But now that I'm like this,
We were this small weren't we?
It's surprising
I guess

Stare~~~~
But when I look at her like this,
You'd think it!
You'd think it right?
It's like, "Miyuki-san really was big"
Where are you looking when you say that?!!

第4話
いろいろと危機一髪

Yes
And because of that, even I have no idea
Hmm
Only Miyuki turning back to normal
And it happened so randomly too
Well it's good that she returned isn't it?
ふぅ
Where are you going when you say that
Bounce

Nod nod
I guess that's right~ I think I feel better now
But with this we know that turning back to normal is possible
That's great~ We can return back to normal~
That's right But we still don't have the method...
Well we've already seen that it can be done.
It's not like we have to hurry, right?
Uh...
Eventually we'll also-
O...

SFX Roll roll roll

Although, rolling inside of Miyuki-san's clothes
Something clicked in the middle.
That's the romance of a man, right?
Even though you're a girl
Are you thinking like an old man

It's already that time...
O-Oh yeah What are we going to do about food?

What was that just now?

So then...
Why doesn't everyone come to my house?

Well~
Izumi-chan's become so cute~♪
I'll take that compliment
.....
It's like you're a doll~
Isn't
Miyuki's mom taking this a little too easily?
She wasn't surprised at her appearance
I thought it would be fine if I told my mother so
It doesn't feel like "The secret that they got shrunk" anymore.
You should have told me earlier~♪
I really wanted to see small Miyuki too

Well I'm going to change now
I'm going to prepare food when I get back
She's lucky~ I want to change too
I guess that's right Your clothes got dirty, so it would be nice if we could do something about it

Then do you want to change?
Really? But the clothes...
Ufufu
There are, aren't there? Clothes that fit that size perfectly♪
?

Well then, Tsukasa's coming with me.
Why doesn't everyone else help themselves to some snacks while waiting?
I-I wonder why she's so excited...?
As expected of Konata-san♪
You're amazing~
Hmhhhm I guess♪
Cool~
So you found those figures~

I guess the level of my love was just Yue's encoutner~
I guess I didn't have enough love*...
Is it really that sort of thing?

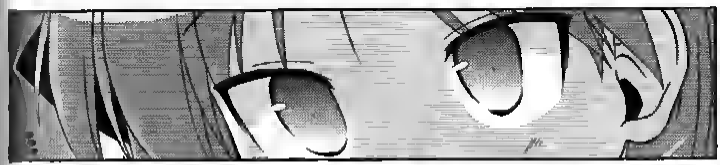
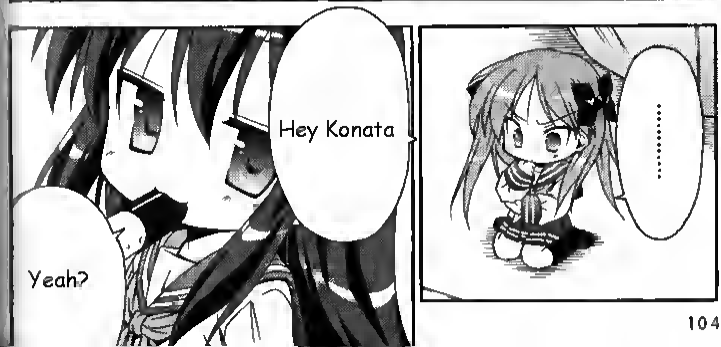
Ignore anything odd about the last chapter, it's all in your head

I'm on a diet!
Didn't I say that?
What~?
You're not going to eat?
Those are completely different things!
Let it be!
You'll never get back to your original size if you say things like that and diet~





Maybe it's because they couldn't have fanservice like that!
Look, isn't Miyuki-san full of that kind of thing?
How is she going to give fanservice to who...?
What you think?
Why do you think Miyuki was able to return to normal?
Nom
If you ask what I think
Hmm... That's right

SFX: Roaring
In other words, to upgrade to those sort of specs!
So you should become an extremely fanservicey character too!
Wha?

Gyaah! Won't you stop it?
Sto-
Are your old man-like ideas ever going to be fixed?
Go! Patty!
Noa?

D-didn't it just come unexpectedly?
I think she's pretty good at making those seductive eyes
Is it just me, or could this really work?
But nothing happened~
Instead of hearing you talk about what you want,
I only want to know why only Miyuki returned to normal!
Of course it's wrong
I guess it's wrong then

I'm done, everyone look~♪
Tada! The reveal~♪

I tried putting her in a doll's dress~♪

Kagami-san...
It's probably because it's from a doll

Look, Tsukasa's ribbon on the table grew, right?
Her uniform is probably back to normal too...
When it happened to Miyuki it was ok since she was wearing her uniform but
Tsukasa was wearing different clothes so only her body grew.

Chapter 5: Look over here

Nom
Now
Then let's listen to your ideas
Eat your food
スパー
The method to get back to normal you were talking about.
Why does your attitude always become like someone else's like that?
The smoke is just an image.
I'll listen
Keep telling her
Senpai, don't you think you should listen to this?
nn~?
I guess...

Here, take this♪
Dinner is served♪
Ah... I-itadakimasu...
Nom munch munch

.....
Hey Kagamin
When are you going to tell us?
Um, let's see...
Sweat
Ah Okay...

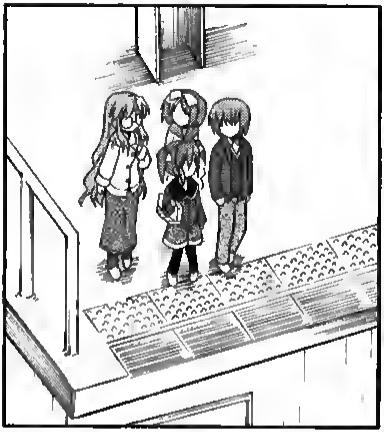
If you'll remember when Miyuki and Tsukasa returned to normal
They both returned when something was taken off their body
Miyuki's were her glasses
So maybe
I was thinking, "If something on the head or face was removed"
Slide
And with Tsukasa's being her bow
Nibble

Or rather, I took all of my clothes off when taking a bath last night
It's probably safe to drop this line of reasoning
Iyon
Fumu.. I guess it was wrong
And Konata oneechan doesn't have glasses or a bow either..
Yeah
It couldn't have been so simple
We need something closer to when you turned back..
Closer?
"It's complete"-
when Miyuki's mom was putting the clothes on Tsukasa
It's thing Miyuki's mom said

Oh yeah, because you were wearing those doll's clothes,
I was thinking, "It was nice that you were able to wear them."
Really? Don't you say "Quit it with the cosplay" when you're at our house?
That wasn't cosplay, she was wearing actual clothes from a doll
That's something you can only do at this size.
Yeah, that's the thing.

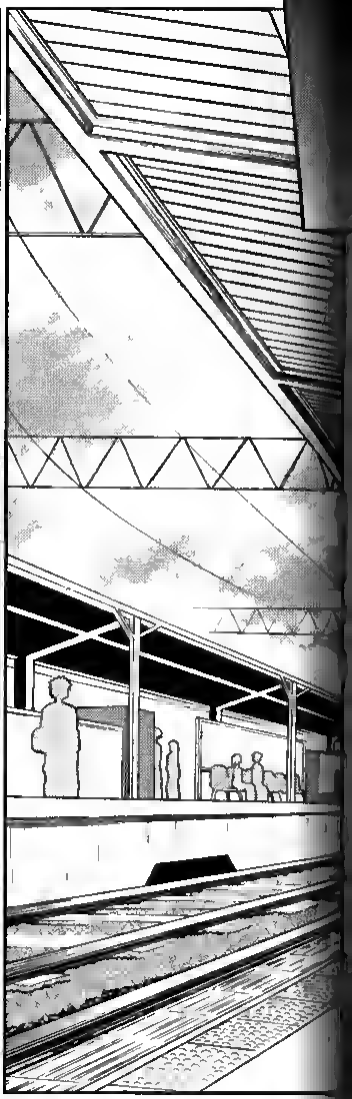
It's not something I can say for certain but...
If you think about both instances...
It had a similar effect to if Miyuki's vision had returned
And Miyuki being able to read small letters without her glasses.
Well granted, I can't see such small letters with just my eyes...
It's probably something that you would like to do
that you can only do in this form that will return you to normal-!
maybe

It's like you're an expert detective
R-really?
Oneechan, your so amazing~ That's definitely it~
After we're done eating, let's go over to Konata's house for a bit.
Eh? Why?
Anyway, there's some other issues too-...
turn
If we return to Konata's room
I think we might learn something crucial



I feel safe
Yeah, that's right.
This area doesn't have many people.

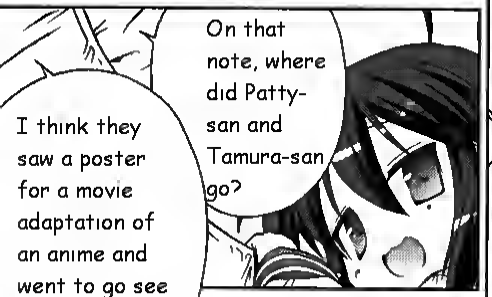
Well~ You're good at planning cautiously
Anything that reduces the chance of being noticed feels safer.



Huh? Your uniform...?
I wore my uniform since it got bigger♪
No, I'm talking about how it isn't dirty
Did you wash it?
What? Yeah
Isn't it just that you don't notice the dirt?
Since the dirt stayed the same even though the clothes got bigger
Oh That makes sense
But being the only one in uniform is kind of embarrassing

Popping your head out again!
もう!
You have to behave and stay inside!
Hey, Konata!
n?

It's fine, Kagamin.
It's less crowded here than the other place...



On that note, where did Patty-san and Tamura-san go?
I think they saw a poster for a movie adaptation of an anime and went to go see it

Well, for actors, saying "Behave" means "Don't behave..."
Since when are you an actor?!

Over there!
Yu-chan, go over there
I'm telling you to wait!
For Otaku, buying things when you want them,
seeing things when you want to see them, is the proper way of life!
Smash
Smash
Smash
Fuck your otaku code!

O-okay...
Great idea, Yu-chan. Let's endure and go!
There's no need for Yutaka-chan to endure!
O-oneechan, I'm thirsty, so
After we buy drinks, why don't we watch a little bit?
Yuck!
Yuck!
Yuck!
*Arguing sound

Tamura-saaan
Patty-chaaaan
Oh?

I guess you did end up coming
What? Was I seen through?

We're only going to be here for a bit so
Ahaha.

ABOUT TSUKASA'S CLOTHES...
ABOUT MIYUKI'S VISION...
IF WE ASSUME THAT KONATA'S WISH IS "TO FIND THE LOST PARTS",

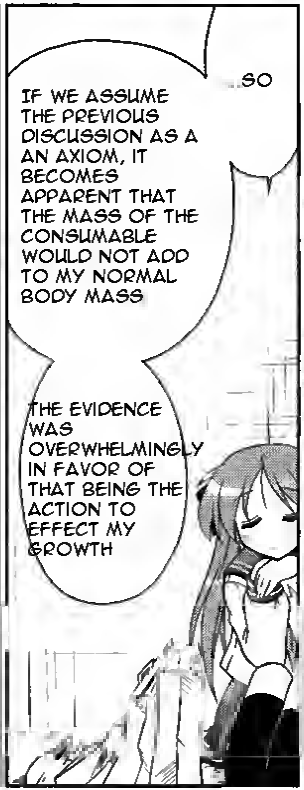
NAW-♪
WILL YOU TELL?

TO RESTORE MY ORIGINAL BEING THROUGH EATING SWEETS
I WAS IRRATIONALLY COMPELLED THAT IT WOULD BRING ABOUT MY SOCIAL OSTRACISM SHOULD I REVEAL IT



SO
IF WE ASSUME THE PREVIOUS DISCUSSION AS A AN AXIOM, IT BECOMES APPARENT THAT THE MASS OF THE CONSUMABLE WOULD NOT ADD TO MY NORMAL BODY MASS
THE EVIDENCE WAS OVERWHELMINGLY IN FAVOR OF THAT BEING THE ACTION TO EFFECT MY GROWTH

HUH?
..I ATE SOME SWEETS

REMEMBER? I REFUSED SWEETS WHEN WE WERE IN YOUR ROOM SINCE I WAS ON A DIET
IS THAT RIGHT?

WHY ARE YOU MAKING THAT FACE?!
THIS RESPONSE IS EXACTLY WHY I DIDN'T WANT TO TELL YOU...!! ~?!?!?(怒)
